

DEAR DOG OWNERS

On Bosch en Zee you are very welcome with your dog but you must adhere to the household rules of the park namely:

- Only one pet per apartment is allowed
- Your dog must be on a leash at the park, so that other guests do not suffer from it
- Although your dog is still so sweet, that is for the safety of yours and other dogs and the other guests especially children
- Do not leave the dog alone in the apartment, it is often the case that the dog sits whining and barking, this is very annoying for the neighbors
- Do not let your dog lie on the couch and certainly not the bed, (the hairs are difficult to remove) and this is not very fresh for the next guests.
- The sandbox is for children and is not a dog toilet.
- You have to let your dog out outside the park, e.g. in the adjacent forest (so preferably not in the green area along the park)
- Our swimming pool is for guests, but not for dogs

If you follow these rules, you are welcome with your dog and nobody is bothered by it.
